This is basically a social credit system being put on all USA citizens and so much more… Palantir is an IDF war tool… Here are a few things they specialize in…

•Palantir, a data analytics company specializing in AI-powered software, has a strategic partnership with the Israeli Ministry of Defense to provide technology for “war-related missions”….

•Specifically, Palantir offers tools for intelligence gathering, target analysis, and potentially, assisting in battle planning…

•Palantir CEO Alex Karp has publicly expressed strong support for Israel and stated that the company’s products are in high demand there…

•Palantir’s technology is used to “identify individuals who are likely to launch ‘lone wolf terrorist’ attacks, facilitating their arrests preemptively before the strikes that it is projected they would carry out…

WATCH HIM SHIT IN HIS PANTS ‼️
Peter Thiel, co-founder of Palantir, SHITS HIMSELF when asked about Israel's use of Al in Gaza. Why?
Because Palantir tech is behind "Lavender" & "Where's Daddy"

YOU HAVE TO BE A SICK FUCK TO COME UP WITH A NAME LIKE “WHERE IS DADDY” ‼️

When the rules no longer apply. Psychopaths eventually rise to the top of every power structure—NGOs, corporations, and states. In a game without rules, those without morality will always have the upper hand. A man who will do anything to win holds a decisive advantage over someone with limitations. This is, unfortunately, an uncomfortable truth, and this fact is sometimes used to argue that psychopathy could be the next step in human evolution.
